

## Clip-rail Pro

picture hanging system

### Quality and Innovation

Hang It Up Systems distributes only high quality products that are manufactured under strict supervision. Many of the products that Hang It Up offers are international award winners. Hang It Up's systems are the product of choice for homes, offices, universities, museums, art galleries, and government institutions.

### Product Description

The patented Clip-rail Pro system features a heavy-duty rail for loads of up to 45kgs per linear meter. The rail design is compact and looks very attractive in professional environments, as well as residential.

### Application

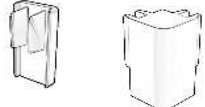

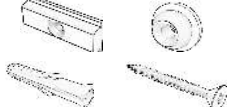

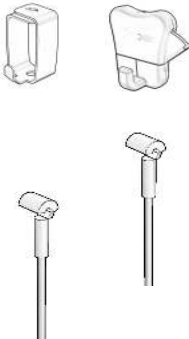

The thick-walled rail makes the Clip-rail Pro system an ideal solution when heavier works of art need to be hung on a system that still looks elegant and attractive.

### Features

- Aluminum rail
- Profile 11mm x 28mm
- Capable of carrying loads up to 45kg per meter or 90lb per 3'.
- Available in white or a natural aluminum color
