

Clip-rail

picture hanging system

Quality and Innovation

Hang It Up Systems distributes only high quality products that are manufactured under strict supervision. Many of the products that Hang It Up offers are international award winners. Hang It Up's systems are the product of choice for homes, offices, universities, museums, art galleries, and government institutions.

Product Description

The Clip-rail system is a basic hanging system of flawless quality. The Clip-rail is the most commonly used hanging rail and still a no-nonsense bestseller. The rail, which is available in white or a natural aluminum color, is easy to fit and blends in well with every interior.

Application

If you want a robust, no-nonsense picture hanging system, the Clip-rail system is your best choice. The Clip-rail is a rail that is attached to the wall using a special mounting clip.

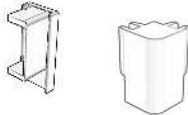

Features

- Aluminum rail
- Profile 8.2mm x 25mm
- Capable of carrying loads up to 20kg per meter
- Available in white or a natural aluminum color
