

## J-rail

### picture hanging system

#### Quality and Innovation

Hang It Up Systems distributes only high quality products that are manufactured under strict supervision. Many of the products that Hang It Up offers are international award winners. Hang It Up's systems are the product of choice for homes, offices, universities, museums, art galleries, and government institutions.

#### Product Description

This simple and strong hanging system, which was inspired by the shape of the letter J, can be used in many different ways. When used in combination with the hanging rods, the J-rail is ideal for applications where art works needs to be alternated on high walls. An invisible perlon cord or robust steel cable are also possible options.

#### Application

Due to its simplicity and numerous hanging options, the J-rail is often used in applications where functionality is the main priority.

#### Features

- Aluminum rail
- Dimensions 7mm x 20mm
- Capable of carrying loads up to 25kg per meter
- Available in white or a natural aluminum color
- Optional: J-rail XL security theft-delaying hook
