

Multi-rail Max

bright picture hanging system

Quality and Innovation

Hang It Up Systems distributes only high quality products that are manufactured under strict supervision. Many of the products that Hang It Up offers are international award winners. Hang It Up's systems are the product of choice for homes, offices, universities, museums, art galleries, and government institutions.

Product Description

The Multi-rail Max system is a revolutionary picture hanging and lighting system in one. In combination with LED bulbs, the Multi-rail Max rail is very energy efficient. The 12 volt voltage supply wires are incorporated in the patented rail. The easy-fit armatures are simply clicked into the rail in whatever position you want.

Application

If you want a safe, multifunctional hanging system with integral lighting, the Multi-rail Max system is your best choice.

Features

- Aluminum rail
- Dimensions 11mm x 38mm
- Capable of carrying loads up to 45kg per meter
- Available in white or a natural aluminum color
- 12V system (low-voltage supply)

Multi-rail Max
