

# Multi-rail Flat

## Quality and Innovation

Hang It Up Systems distributes only high quality products that are manufactured under strict supervision. Many of the products that Hang It Up offers are international award winners. Hang It Up's systems are the product of choice for homes, offices, universities, museums, art galleries, and government institutions.

## Product Description

The Multi-rail Flat system is a unique suspension system for ceiling applications. Equipped with a 12V power rail the Multi-rail Flat is an exceptionally sturdy and solid profile which can be almost invisible when concealed in plasterwork, flat decorative frame work or moulding of your choice. Easily moveable light fixtures can be clicked in anywhere into the rail providing unsurpassed flexibility!

## Application

If you want a safe, heavy duty, ceiling mounted hanging system with integrated lighting, the Multi-rail Flat system is your best choice.

## Features

- Aluminum rail
- Dimensions 31.3mm X 18mm
- Capable of carrying loads up to 45kg per meter
- Available in white
- 12V system (low-voltage supply)
