## Quality and Innovation

Hang It Up Systems distributes only high quality products that are manufactured under strict supervision. Many of the products that Hang It Up offers are international award winners. Hang It Up's systems are the product of choice for homes, offices, universities, museums, art galleries, and government institutions.

## Product Description

The U-rail Multi system is a revolutionary picture hanging and lighting system in one. In combination with LED bulbs, the U-rail Multi rail is very energy efficient. The 12 volt supply wires are incorporated directly into the rail. The easy-fit armatures are simply clicked into the rail in whatever position you want.

## Application

If you want a safe, medium duty, ceiling mounted hanging system with integrated lighting, the U-rail Multi system is your best choice.

## Features

- Aluminum rail
- Dimensions 17.3mm x 13.4mm
- Capable of carrying loads up to 30kg per meter
- Available in white, black, or a natural aluminum color
- 12V system (low-voltage supply)
