picture hanging system

Quality and Innovation

Hang It Up Systems distributes only high quality products that are manufactured under strict supervision. Many of the products that Hang It Up offers are international award winners. Hang It Up's systems are the product of choice for homes, offices, universities, museums, art galleries, and government institutions.

Product Description

The patented U-rail system has been purpose-designed to turn your suspended ceiling into a flexible hanging system in a matter of minutes. The rail is available in the same colour as the metal T-Bar supports and attaches to blocking, making it almost invisible.

Application

In rooms where a suspended ceiling has been installed, the U-rail system is not only the perfect hanging solution for works of art, it can also be used to hang notice boards and white boards.

Features

- Aluminum rail
- Dimensions 6.5mm x 14mm
- Capable of carrying loads up to 20kg per meter
- Available in white, black or a natural aluminum color to suit your T-Bar supports.
